

## **1810.05 Registration of Scrap Tire Collection Sites**

Issued January 1, 1994

**SUBJECT:** Registration of Scrap Tire Collection Sites.

**APPLICATION:** A State agency which owns a collection site, other than a licensed sanitary landfill, where 500 or more scrap tires are accumulated.

**PURPOSE:** To identify all scrap tire collection sites, and assure that scrap tires are stored and disposed of only at a registered site in an environmentally sound manner, to also, maintain financial assurance to cover the cost of removing tires from the collection site in case of an emergency or insolvency in accordance with the requirements of the Scrap Tire Regulatory Act (Public Act 133 of 1990, as amended).

**CONTACT AGENCY:** Department of Natural Resources (DNR) - Waste Management, Technical Services Section.

**TELEPHONE:** 517/335-4757 or 517/335-4779

**FAX:** 517/373-4797

**SUMMARY:** The DNR, Waste Management Division, Technical Services Section, or Scrap Tire Program field staff assigned to the Department's District Offices, provide registration forms and financial assurance forms needed to obtain the required annual collection site registration and the required financial assurance. The Section also maintains a computer database of registered sites and administers a portion of the Scrap Tire Regulatory Fund, used for cleanup or collection of abandoned scrap tires on land owned by the State or a city, village, township or county.

**APPLICABLE FORMS:** PR-5134, Scrap Tire Collection Site Registration Form.  
PR-5135, Surety Bond Form for a Registered Scrap Tire Collection Site.  
PR-5136, Certificate of Deposit Procedures.  
PR-5137, Letter of Credit.

### **PROCEDURES:**

#### **Agency:**

- Contacts the Technical Services Section or any Waste Management Division District field office, to obtain a copy of PR-5134 (11/92) or to discuss the requirements of the Scrap Tire Regulatory Act.
- Submits the registration form, with all the requested information, on or before January 31st to:

Michigan Department of Natural Resources  
Waste Management Division  
Scrap Tire Regulatory Program  
P.O. Box 30241  
Lansing, Michigan 48909

A \$200 registration fee shall accompany each annual registration.

- Submits documentation of a performance bond with the registration application. This bond may be in the form of a surety bond, cash bond, letter of credit or a certificate of deposit, and shall be maintained in an amount as determined by the director of the DNR. (Currently required bonding can be calculated by reviewing Exhibit A (page 4) of PR- 5135, The Surety Bond Form).

DNR:

- Technical Services Section assigns a permanent site registration number to the site when all the required information is correctly provided. This registration number shall identify the site as long as it is, by definition, a scrap tire collection site for purposes of compliance and enforcement or public site cleanup activities.
